# Junior Officers Head Projects and Activities

The major project for the Junior class was the annual Junior-Senior Prom. Selecting a theme, choosing materials, and decorating were problems the juniors faced during one of the biggest tasks of their high school careers. The SAT forced students to draw upon knowledge gained from earlier education. Many juniors began planning for college and found a variety of factors to be considered.

The Juniors progressed from bewildered freshman to a responsible class who added much to life at BHS.

## Homecoming Kicks Off Whirl of

After the parade of cars had rounded the track, eight girls and their escorts walked to the front of the cheering section. Co-captains Dan Wanstrath and Doug Weigle stepped forward and crowned Mary Nolte Queen of the 1970 Homecoming Festivities. The court consisted of Connie Smith and Susie Dieckmann, seniors; Cindy Drew and Carol Flodder, juniors; and Carol Brewer and Audrey Snider, sophomores.

The 1970 Homecoming Queen and her escort Michael Straber.

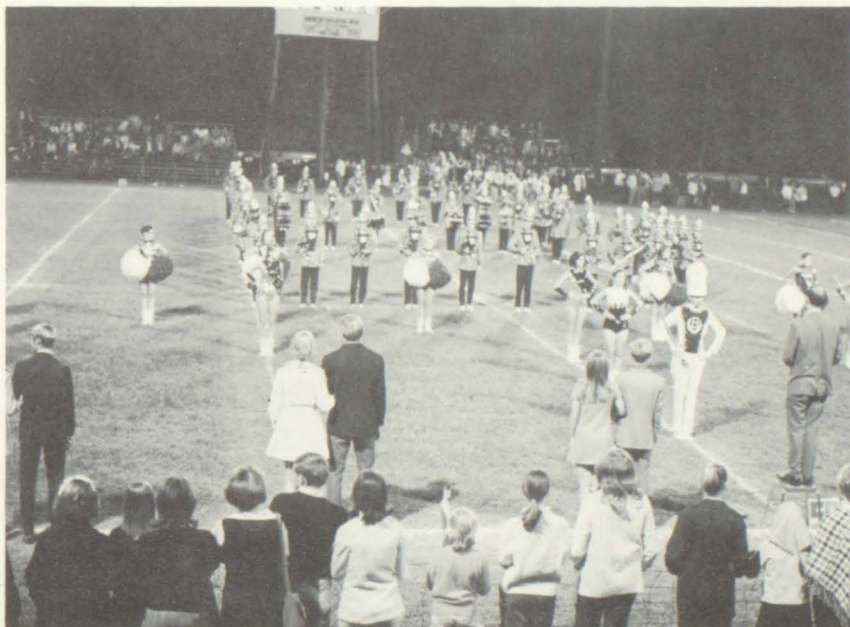

## Activities

Preceding the coronation at half time, the band presented a number of selections honoring the Court and visiting alumnae.

When the buzzer sounded, the Bulldogs were defeated by the Tigers of Lawrenceburg 40-6.

The festivities ended with a Homecoming Dance sponsored by the junior class and held in the old gym. Students danced to music provided by the "Sonic."

The Big Blue Band forms a Big Blue "B" for all of B.H.S. students past and present.

Dan Fullenkamp sprints home to break the tape.

The 1970 track team, under the direction of Bob Crowell, posted its best season ever. For the first time in BHS history the team won the EIAC conference title. Several records were set by members of the squad. Dennis Dierckman set a school record for the two mile and Daryl Meyers set a record for the pole vault. Dan Wanstrath, a powerhouse, set all kinds of records during the season.

Come on, guys! It's my basketball!!!

The Bulldogs had one of its finest seasons in a long, long time. The mighty Dogs beat Jac-Cen-Del in the Sectional tilt at the local gym. Taking revenge on Connorsville, who gave them their only defeat (6 over-times) in regular season, the Dogs readily defeated the Spartans and easily tamed the Rushville Lions to take the Regional. The Bulldogs were now one of the "Sweet Sixteen"! In the afternoon game at Hinkle Fieldhouse, the Dogs suffered their second defeat at the hands of New Castle. The Dogs finished the season with an impressive 24-2 record.

Rewards for a job well done.

# Cheerleaders Add Enthusiasm

Varsity cheerleaders—Carol, Pam, Arlene, and Kathie

The cheerleaders add the much appreciated school spirit and pep. They are just as important to a winning season as the various teams. To show how much enthusiasm and pep these young ladies have, they brought back the coveted "spirit stick" from cheerleader camp held at Vincennes University. They also brought back one "excellent" and three "superior" ratings. B.H.S. is proud of its cheerleaders.

Alternate for the varsity is Beth Romberger; Audrey Snider is B-team alternate; and Karen Prickel is frosh alternate. The squads are directed by Miss Stillhammer.

# ORGANIZATIONS

# Music Department Gives Students

## Swing Choir

The newest member of the music "family" is the Swing Choir. The group meets once a week after school. They sing "oldies but goodies" and the more contemporary pop songs. The choir is accompanied by Bill Blank on guitar, Greg Enneking on base guitar, and Jeff Moorman on drums. The choir is planning to perform at convocations at neighboring schools as well as at BHS. Mr. Bourquein is the director.

## Mixed Chorus

The Mixed Chorus, also directed by Mr. Bourquein, presents an annual concert at Christmas. The chorus performs a variety of music from traditional to modern folk carols. The chorus is also featured in the Spring Concert.

Besides school activities, the group sings for several organizations in the community.

## a Creative Performing Outlet

The Batesville High School Marching Band

The Batesville High School Band is under the able direction of Mr. Bourquein this year. Besides the Christmas and Spring Concerts, the band performs at all home games, both football and basketball. The members also take an active part in the Homecoming festivities by marching in the parade and at half time. The drum major is junior Neil Jenkinson and head majorette is senior Carol Lamppert. The band works very closely with the majorettes and drill team and their performances at games.

The band and music boosters have been working hard to earn money for new uniforms.

# M a j o r e t t e s

Majorettes—Mary, Beth, Carol, Casey, Patti, Carol, Vickie

These twelve senior members will be greatly missed next year. Their enthusiasm and energy was appreciated by all the band.

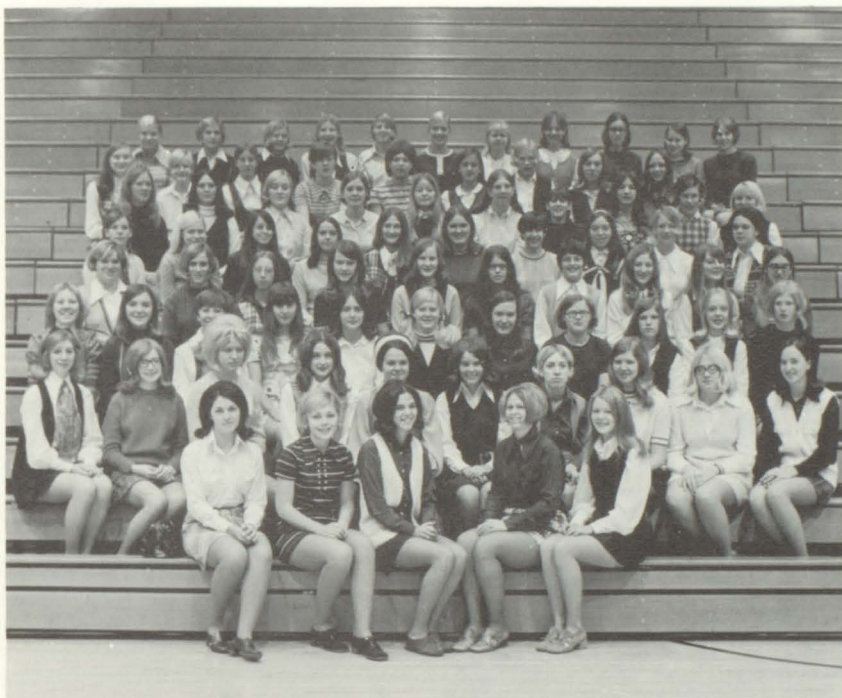

# Pep Club Backs the Dogs

The Pep Club under the sponsorship of Miss Stillhammer added a great deal of spirit to the games as they cheered the team on to many victories. The club elected officers for the first time this year. They are; Judy Sizemore Pres., Mary Hoyer Vice Pres., Carol Flodder Sec., and Debbie Mollaun Treas.

## G.A.A.

This is the first year the G.A.A. has been a member of the State Organization. Two of the members Connie Marticke and Jeanette Vohland went to a G.A.A. camp in North Webster, this fall. The organization must participate in five

sports to register in the State Organization. They hopefully will be competing with other schools in these sports. They have also had bake sales to raise money to buy Seniors charms.

This years officers: Connie Marticke Pres., Patti Schulte Vice Pres., Susie Dieckman Sec., and Kathy Meyer Treas.

# Spanish Students Visit

The small army pictured above are actually members of the Spanish Club.

The Spanish officers are Mike Mehlon, Clean-Up Chairman; Bob Wessel, Treasurer; Randy Mehlon, President; Bill Blank, Public Relations; Doug Snider, Vice-President; Carol Brewer, Refreshments; and Mary Nolte, Secretary.

One of the largest organizations at B.H.S. is the Spanish Club. The club is open to all students enrolled in Spanish. In order to help finance a trip to Mexico City, the club sponsored many successful dances. The group also is in charge of coat check at basketball games.

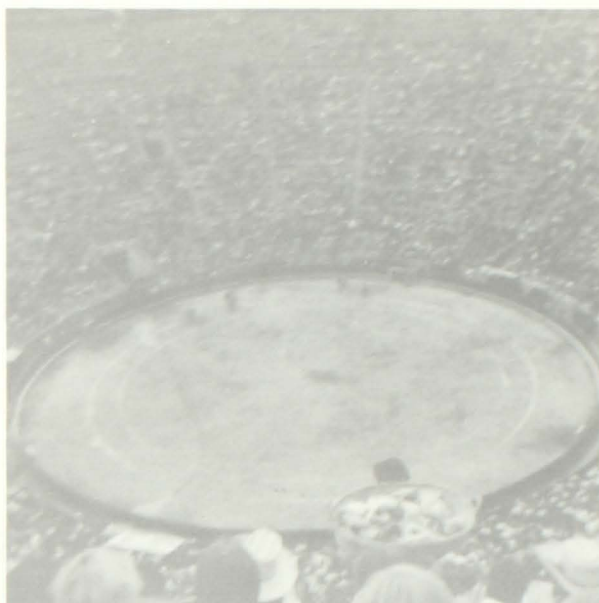

The Spanish Club is sponsored by Mr. Brelage.

# Mexico City During the Summer

Last summer the third and fourth year Spanish students took a ten day trip to Mexico City. These fourteen students gained first hand knowledge in conversing in Spanish and bargaining at the local market. Some of them gained a lot of experience in other areas as well such as walking through plateglass doors and picking up tambourine players.

While in Mexico City, the group visited many tourist attractions but they had plenty of time to meet the natives of Mexico and learn about some of their customs. Mr. and Mrs. Brelage were chaperones for the trip.

This is a birds-eye view of a bullfight. The light spots on the left side of the arena floor is sawdust. This covers the blood after the bull is killed.

Anyone interested in the identity of the young lady with the tambourine is asked to contact Randy Mehlon.

This was snapped at the "night club" in the hotel. Many of the people in the background are students from other schools also on tour.

The students above are the Junior and Senior members of Debate.

## Debate Club

The Debate Club has again become an active organization on campus. The club gives students an opportunity to go to other schools in the area and debate other clubs. This years debate topic deals with pollution.

Mrs. Suhre is sponsor of the Debate Club.

One of the jobs of a student librarian is to learn proper methods of filing.

## Librarians

The Library Club of B.H.S. is made up of students interested in promoting the use of the school library or in actual library work.

Membership in this club has increased this year as the students became interested in the improvement of their school library.

One of the major money making projects has been candy sales. The group also visits college and public libraries.

Miss Hiatt sponsors this club.

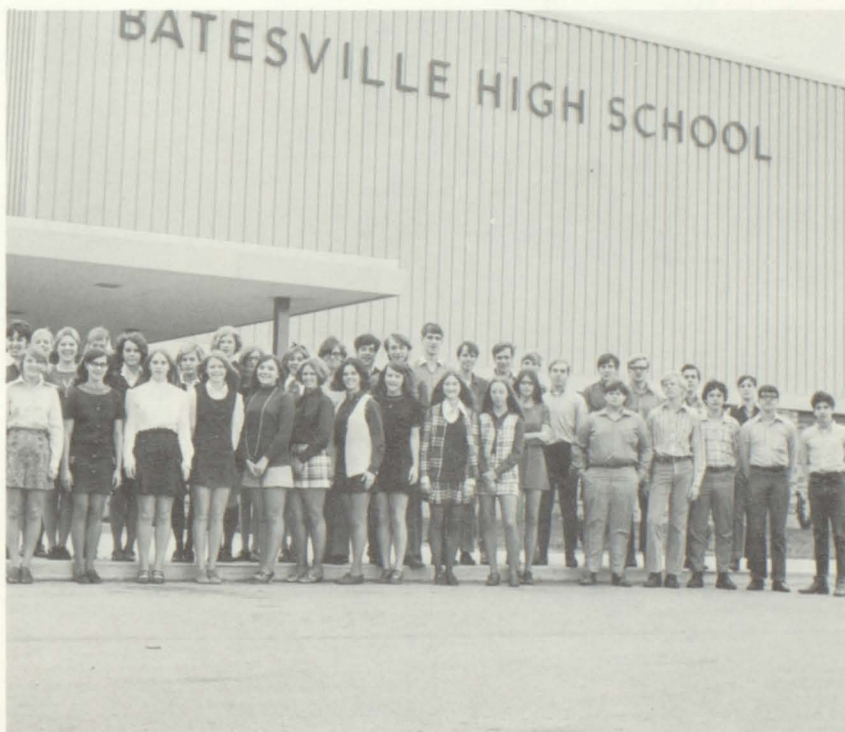

# National Honor Society

Students who did outstanding work in their various fields of interest were rewarded with membership in National Honor Society. Admittance is determined on the basis of class rank and merit points which are awarded for service, leadership, and character.

# Student Council

Assuming an important role in BHS, the Student Council attempted to improve pupil's attitudes as it enriched student-faculty relations. Officers of the Student Council are Bill Blank, president; Vickie Flodder, vice-president; Mary Nolte, secretary; Connie Smith, treasurer.

## Hi-Y

The Hi-Y under the leadership of club sponsors has been more active than in recent years. The organization is made up of young men whose goals include serving others; the maintenance of a high level of social, moral, educational, and Christian ethics; and clean speech, clean sports, clean scholarship, and clean living.

The club can be a stimulating offering much enjoyment to participating members.

## B-Men

B-Men consist of boys who have earned a letter for participating in a sport offered by Batesville High School.

## FHA

The Future Homemakers of America is an organization that enriches the lives of young girls who are interested in the field of home economics. The club is sponsored by Miss Green.

## FNA

This year the Future Nurses worked on the theme of Free Dental Care for Underprivileged Families. They have taken one field trip to Good Samaritan Hospital in Cincinnati, and are planning another trip for the latter part of the year.

## Future Farmers

The Future Farmers directed by Mr. Ferringer, have brought many honors to their local chapter. They participate in contests such as soil judging and cattle judging. The primary aim of the Future Farmers is the development of agricultural leadership, cooperation and citizenship.

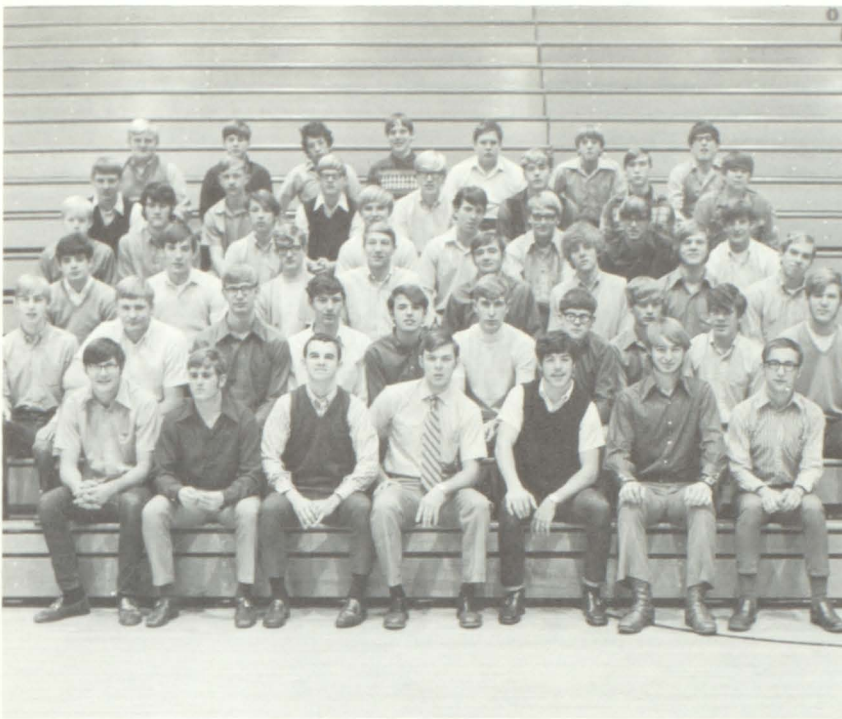

## Projectionists

The boys and girls in the Projectionists Club are on hand to assist the teachers with the Audio Visual equipment. They are under the guidance of Miss Hiatt.

## Bleacher Bums

The Bleacher Bums, under the sponsorship of Mr. Rosengarn, give moral support to our fighting Bulldogs at every game. These enthusiastic students inspire the players, and let the opposing side know they are behind the "Bulldogs" one hundred per cent.

## Broadcast Staff

The Batesville High School Broadcast is a publication put together by the students for the students. Its aim is to give the student body the news which is most current, to entertain with interesting and amusing feature stories, and to teach through its editorials. The Broadcast will flourish as Batesville High School flourishes.

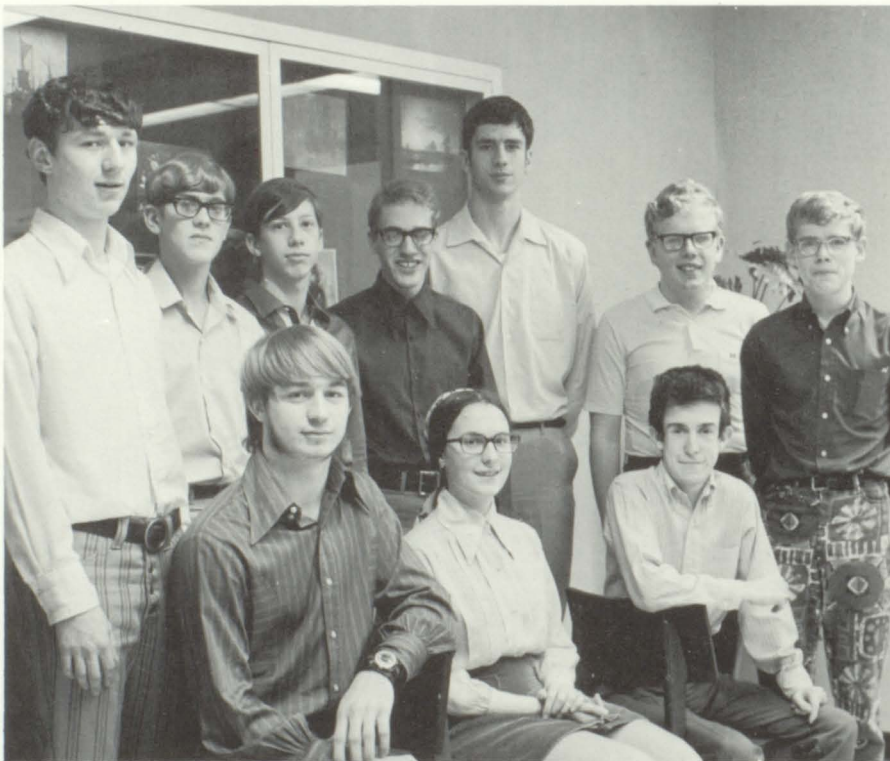

# Future Teachers

Senior members of FTA are eligible to cadet teach. Through this, they are acquainted with the teaching field. They can discover if teaching is the field that they should pursue. Officers are—Pres. Tom Buck; V.Pres. Steve Gutzwiller; Secretary Kathy Meyer; Treasurer Tom Widolf; Reporter Mary Nolte.

# Chess Club

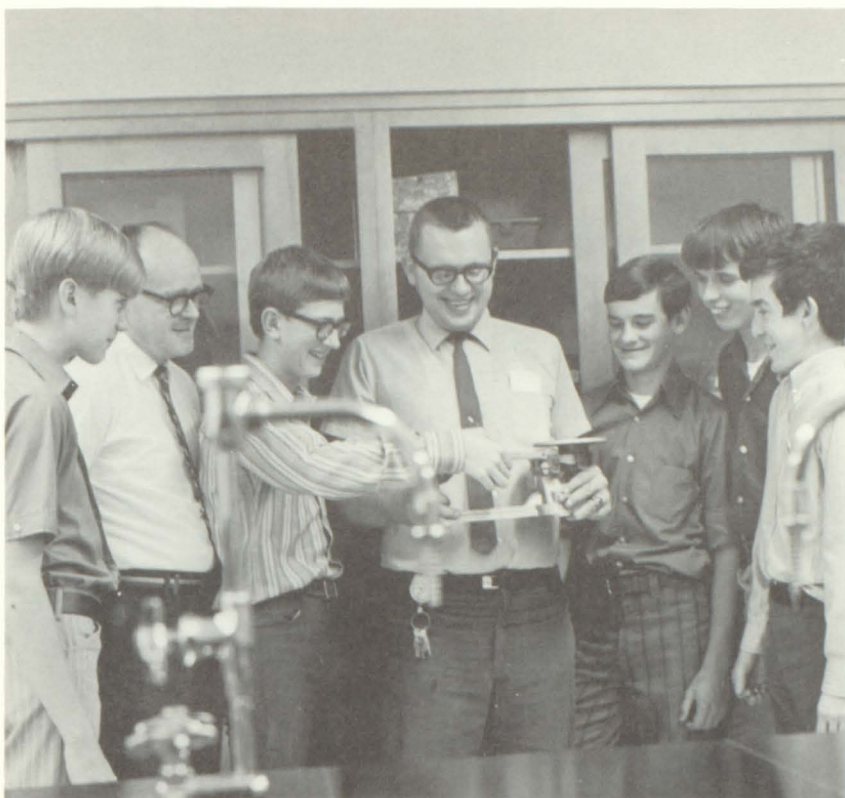

This is a new organization which enables those students interested in the game of chess to play against each other.

In the future this group hopes to participate against other schools in the area.

Front Row—Larry Narwald, Tina Gruenloh, Greg Bettice.

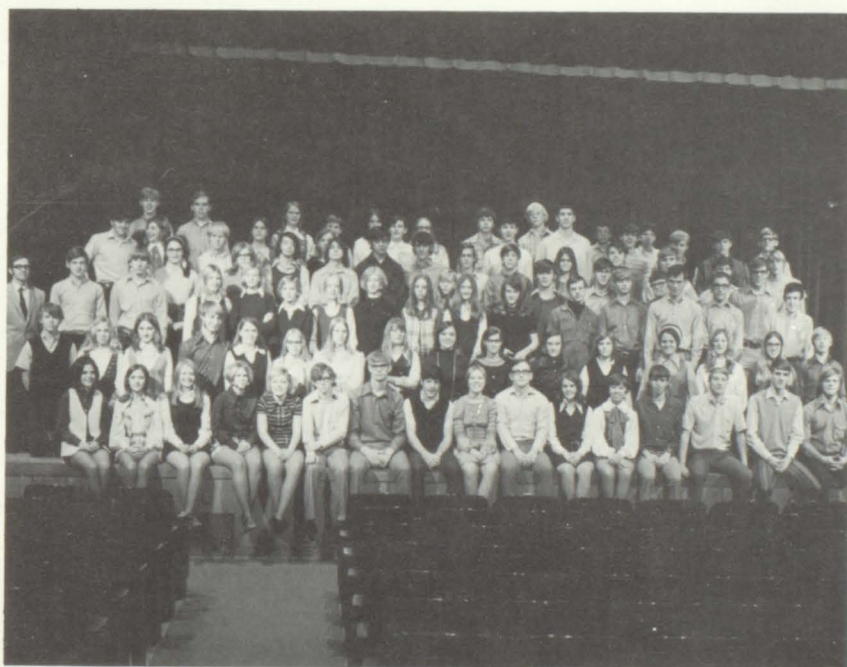

Back Row—Ron Enneking, Dave Meyer, Jim Roell, Jon Gehring, Randy Mehlon, Andy Decker, and Martin Voegel.

## Science Club

The Major project of the Science Club is sponsoring the Science Fair each year. Prizes are awarded to the various projects in each field.

## Thespians Club

The first play the club performed this year was a childrens theatre, THE GINGERBREAD HOUSE IN THE FOREST. This first attempt at a childrens theatre proved to be very successful. The club also performed SPOON RIVER and THE DRUNKARD.

# First Children's Theatre Is a

There are slight rustlings as the houselights dim and the overture begins. The curtain rises on the Green Forest.

Thus began the first production of the BHS Thespians. It was their first attempt, too, at a children's theatre play production. The play, an adaptation of Hansel and Gretel, was THE GINGERBREAD HOUSE IN THE FOREST. The play was presented to students in grades one through six and to the PTO as a Christmas program. The evening performance was standing room only.

Which witch is which?

# Fine Beginning for Thespians

"I'll come when I'm wanted." Sorry, Katrina, four is company and five is a crowd.

Boy, what they say about Hi-Karate must be true!!!

Members of the Editorial Staff are Vickie Flodder, Patti Schulte, Chuck Green, and Connie Smith. The editors are Becky Barcus and Mary Nolte.

The Bulldog office comes alive in early October and remains a bustling center of activity for a galant few until the final deadlines are met. Creating a yearbook is a never-ending job for the editors, staff, and advisor; it is a constant source of wonder, worry, and hard work. The purpose of an annual is to relate a story—a story of activity, of participation and of learning. But the most important element of the story is an elite group of people who bring the story and the school to life. The students who comprise the Bulldog staff are a small part of this elite group, but an important part. Under the direction of Miss Heim, these students are able to give you an account of the story in which you play an integral part.

Pictured above are the members of the ad staff sponsored by Mrs. Freeland.

Pictured on the right is our intelligent-looking advisor, Miss Heim.

# I Pass You Like an Orange to a Child.

The second production by the Thespians was Edgar Lee Masters' haunting SPOON RIVER ANTHOLOGY. Masters borrowed the mouths of the dead to give outlet to all his grudges, beliefs, insights, revelations of life's mysteries and paradoxes.

"The secret of man—the sower. The secret of woman—."

"In the morning of life I knew inspiration and glory.  
Then she, who survives me, snared my soul with a snare  
which bled me to death, . . ."

# I Can No More With You. Do What You Will—

"It's the way the people regard the theft of the apple that makes the boy what he is." "I always passed through rows of nods and smiles, and coughs and words such as "there she goes, . . ." "Over and over they used to ask me, how I happened to—lead the life."

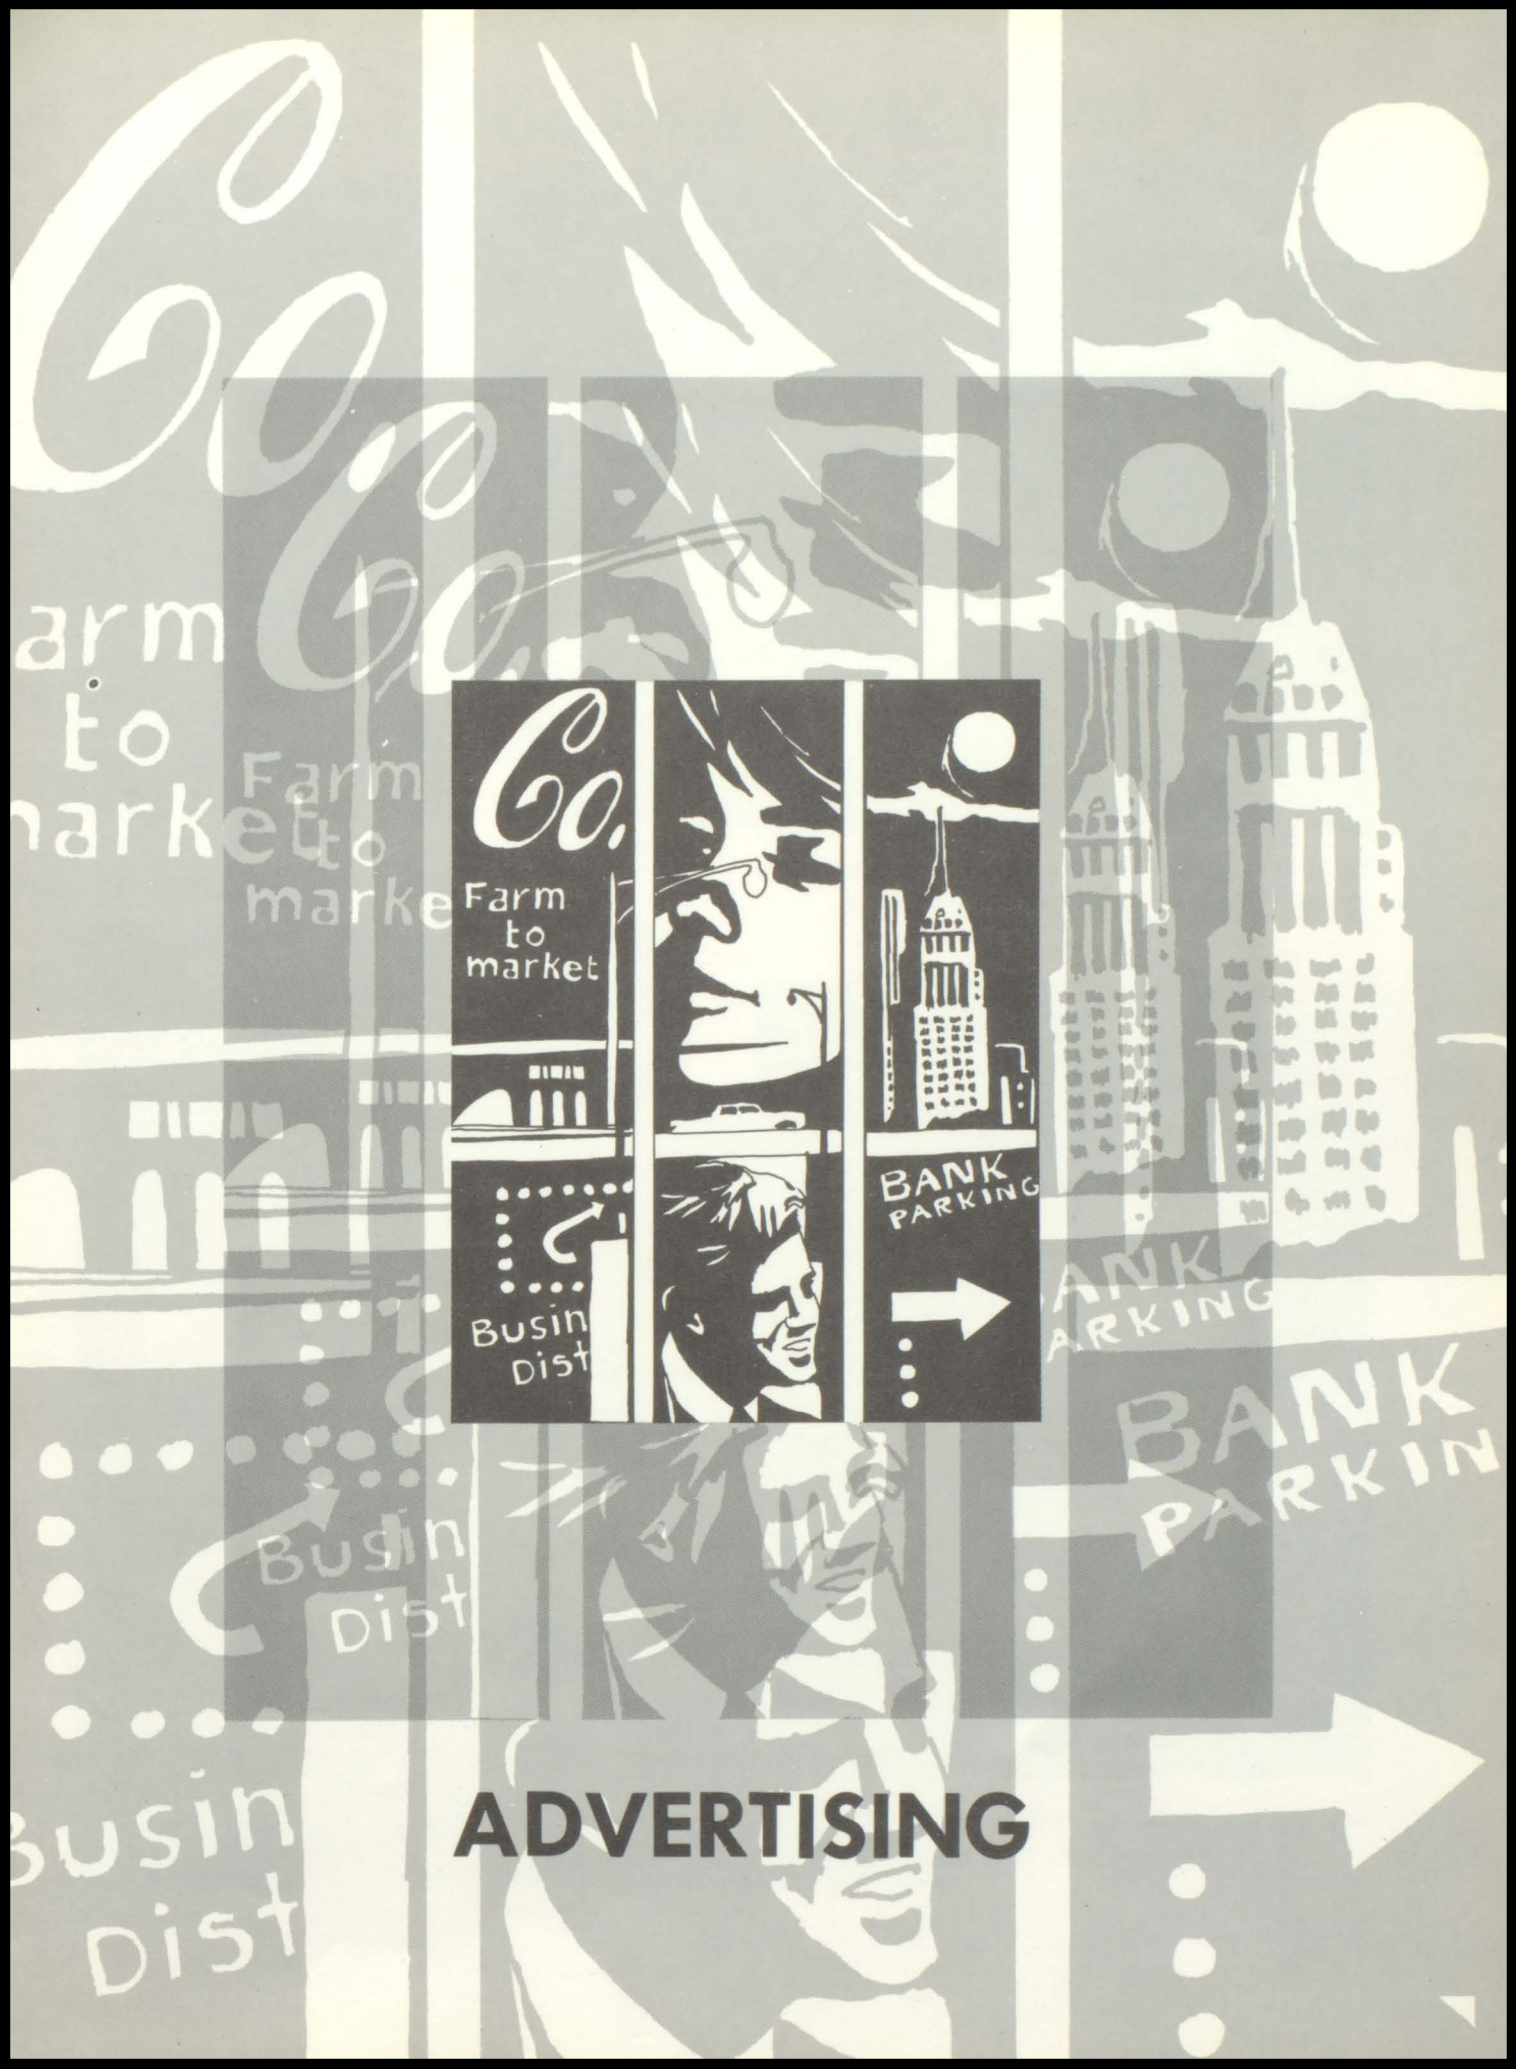

"Spoon River, Spoon River is calling to me."

"There is something about Death like love itself!"  
"That is a power of union between souls like love itself."

Baseball 2

And he shall judge among many people,  
-and rebuke strong nations afar off, and,  
they shall beat their swords into plowshares  
and their spears into pruninghooks:  
nation shall not lift a sword against nation,  
neither shall they learn war any more.

Micah 4:3
